SI#	Agenda	Discussion	Resolutions
1	Tendering of works in eGP system	<ul style="list-style-type: none"> Since the training for the eGP was already given to the Dzongkhag staff and almost 5 engineers have received the training. However, due to the long duration without the touch to the system, none of them is confident enough to go with the system. Therefore on behalf of engineering sector and procurement sector, DE have proposed one day refresher course to all engineers. 	<p>The DTC have approved the proposal for refresher course to all the engineers and procurement section and accounts section if necessary.</p> <p>The refresher course to be given immediately and it's been fixed on Tuesday, 12/03/2019. The resource person will be Procurement officer and IT officer.</p> <p>After the refresher course all the tendering works have to be done through the eGP system.</p> <p>Follow up Procurement Officer and DE</p>
2	Construction of Dratsha at Nobgang	<ul style="list-style-type: none"> As discussed in the 39th DTC, the DE has been instructed to go with the tendering of work. However, from the DoC, MoHCA, they have 	<ul style="list-style-type: none"> The DTC have decided to execute departmentally for the execution of electrical and plumbing works. However, the

		<p>suggested us to go for the departmentally. Since the structure which is going to be constructed is first of its kind and required highest level of quality. And also the project is under the direct command of HRH Queen Mother Tshering Yangdon and may require changes at any times and at any stage of work.</p>	<p>civil works of building to be awarded to Contractor as labour contract.</p> <ul style="list-style-type: none"> • The DTC has also appointed the procurement committee where all the materials for entire project have to be procured routing through them. The Procurement committee members are: 1. Procurement Officer, 2. Finance Officer and 3. Culture Officer • The Procurement committee will float limited bidding to selected bidders minimum of 3 bidders and will put the awarding to the DTC. • The Technical part of the project will be done by DE as decided during the 39th DTC meeting. <p>Follow up DE, FO, PO and CO. HRO for the office order.</p>
3	<p>Black Topping of Approach Road to Goentshephu Nye.</p>	<p>Mr. Sonam Tobagy, AE site engineer has expressed that the estimation for particular work is Nu. 33.67m, however for the Fy2018-2019, the budget allocated is only Nu.1m and for that he required clear instruction from the committee which part or what activity to be executed with this approved budget.</p>	<ul style="list-style-type: none"> • The Chair has explained the importance of the road and required to black topped. However, it being the common road to Goentshephu Nye and Lunna GC, the budget may have proposed by the Lunana Geog, Gasa Dzongkhag. Therefore the planning officer is directed to communicate and find out the detail with Gasa Dzongkhag. Follow up planning officer • With approved budge of Nu. 1m for FY 2018-2019, the DTC decided to provide stone soling and drain to the newly developed parking and approach road to new park and work will be tender through eGP system.

"Construction Industry: Solution through innovation & Improved Technology"

4	Procurement of Zung for the Manidungkor for the Goentshephu Nye.	<ul style="list-style-type: none"> Mr. Sonam Tobagy, AE site engineer has inform the committee that procuring of Zung and Serthog for the Dungkor has been thoroughly studied by the Lam. As informed by the Lam of Tshephu Nye Zung for all 3 dungkor and 2 sertog withfittings charges will be donated at minimum rate of Nu. 700000, through the dinar. For that the committee has suggested that the requirement of Zung type has to be discussed and approval may be required from the Queen mother. 	<p>Follow up Site Engineer and DE</p> <ul style="list-style-type: none"> The DTC committee has great appreciation to the Lam and donor at minimum rate for the Dzung. However, the committee felt that the specification for the Dzung is required before asking the prize its subsidy. Therefore, the procurement officer and Culture officer is directed to explore the types of Zung. And also to prepare the specification for the Zung, Zangtha and Serthog. The Approval will be sought from the Queen Mother for the procuring the right zung, Zangtha and Sertho. <p>Follow up Procurement and Culture officer.</p>
5	Rectification of Farm Road to Nangsigomba which was executed by the contractor: M/s	DE reported the DTC that the despite repeated reminder and telephonic information to the contractor regarding the rectification of defective works of farm road, the contractor has fail to rectified and now DE wants to seek an approval from the DTC to rectified the works using his 10% retention money.	<ul style="list-style-type: none"> The committee decided and directed DE to issue final letter to the contractor to rectified the work and if the contractor do not turn up and commence the work within a week with effect from the issuance f the final letter. Then the 10% retention will be utilized for the rectification works for farm road and the firm will be debarred from participating in the bidding within the Dzongkhag. <p>Follow up DE and site engineer</p>
6	Construction of Dratsha at Chorten Ningpo Lhakhang.	DE has expressed his concern for the construction of Dratsha. Since the approved budget is only one million and we are not sure about the approved design structure and may get delay in implementation due to the design and	The floor decided to wait till the proposal approval from the DoC and after the approval the work will executed accordingly. Follow up Culture Officer

Engineering Sector

Tele: +975-2-584135/584531

ROYAL GOVERNMENT OF BHUTAN

PUNAKHA

“Construction Industry: Solution through innovation & Improved Technology”

		approval of structures. And also recently the culture has received new proposal for the construction of Dratsha from the Dratsha through geog and accordingly have send to DoC for the approval. If this proposal is approved then there might face a shortage in budget and as well execution may get delay in execution. Therefore, the DE suggested the committee to defer the execution of work to next fiscal year.	
7	Punakha Dzong Paintaing works	As per 39 th DTC resolution; exploring and identifying the expertise in painting from the past and reporting to DTC has been assigned to DE and Estate Manager (DMU). Accordingly Estate Manager has explored four painters but only two of them responded his inquiry however, they do have the contract license. Estate Manager of DMU has reported the floor that finding painting expertise equipped with contract license in the market is not practical. Those having expertise in painting skill are not having license and those having license do have expertise in painting skill. Therefore, the Estate Manager has put up the case to the floor advice on how to go about.	<ul style="list-style-type: none"> • DTC have decided float the open tender. Follow up Estate Manager • The specification of the painting has to be prepared by seeking necessary advice from the Thimphu Dzong maintenance unit. Follow up Estate Manager
8	Construction of Toilet inside Dzong	Estate Manager of DMU has presented the construction of Toilet inside the Dzong to the floor. The estate manager has proposed the work to be awarded to the Non National Labour as Labour Contract, since it required high degree of expertise in concreting works. As per the past experience the local/national labours do have the required expertise in the concreting works and if the work is executed by deploying them, there is high chance of leakage from the toilet. The estimated cost for the Labour is Nu. 200,000/- two lakhs.	<ul style="list-style-type: none"> • The committee have discussed and accepted the requirement of high level of expertise in concreting work of toilet as it was ordered by the Queen Mother. Therefore, the Estate Manager has to seek prior approval if any changes required from the approved drawing from the DoC. • Due to requirement of high level of expertise in concreting work of toilet the committee has decided to award the work to the non-national labour as labour contract at Nu. 200,000

		(two lakhs) as proposed by the estate manager. Follow up Estate Manager
9	Providing and fixing of Jabyoe for Statues inside Drabe Lhakhang	Since the Dzongkha have no capacity in framing the specification and estimation, the Estate Manager has sought technical expertise from the Dharma Arts and Craft, Bjimina Industrial Estate, Timphu. They have submitted the estimation amounting to Nu. 561,000/- (five lakhs sixty one thousand) inclusive of providing and fixing with neat finishing of works with the duration of 3 months from the placing of work order. The committee has decided to award to the Dharma Arts and Craft, Bjimina Industrial Estate, Timphu at estimated amount within three months and the specification should be strictly followed. However the transportation charge has to be made clear before issuing the work order. Follow up Estate Manager.
10	Sonagasa Palace, Water supply	Estate Manager has reported the committee that the drinking water for the Sonagasa Palace is totally out of service and upon the Dasho's comment the pipe for the water supply has been procured and ready to install. However, due to the shortage of man power in installing/laying of pipe (trenching) could not be executed. Therefore the site engineer would like to seek an endorsement for procuring tank and pipes and approval for awarding the work to the labour as labour contract. • The DTC has found that the work required urgent attention for the reinstallation works. Therefore, the committee have endorsed the procuring of PIPE and Sintex for the palace and approved for the awarding the execution to labour as labour contract. Follow up Estate Manager
11	Appointment of one engineer as e-tool focal person	Engineering sector has appointed Mrs. Tshering Denka, AE-III as the e-tool focal of our Dzongkhag. She will be responsible for updating of construction works (Contract Works) in the e-tool system and also any training related to e-tool will be given first opportunity to the focal. The decision of engineering sector for appointing e-tool focal person is submitted to DTC for the endorsement. • The DTC endorsed the appointment of Mrs. Tshering Denka as e-tool focal person of Dzongkhag. • The office order shall be issued through HR Section: Follow up HRO
