

Comparative statement for the Vehicle Maintenance FY 2022-2023

SI NO	Name and Description of Item	units	Delivery Period [In Days]	Warranty Period from the date of Acceptance	Unit Price in Words
				[In days]	
					CHHEME AUTO WORKSHOP
1	DCM BUS EICHER(PRO 1020 /TATA AMBULANCE /CESPOOL/COMPACTOR/KINGLONG AMBULANCE, Garbage Truck heavy duty	NO	As per work order	as pe the specification	0
2	Axel Packing f/R	NO	As per work order	as pe the specification	1200
3	Clutch plate	NO	As per work order	as pe the specification	22000
4	cross bearing	NO	As per work order	as pe the specification	3200
5	clutch cylinder assy ,Lower	NO	As per work order	as pe the specification	7800
6	Brake shoe ,Lining kit	NO	As per work order	as pe the specification	8500
7	gear oil (5 ltrs)	NO	As per work order	as pe the specification	2500
8	brake oil (1/4 ltrs)	NO	As per work order	as pe the specification	800
9	disel filter	NO	As per work order	as pe the specification	2800
10	mobile filter	NO	As per work order	as pe the specification	1500
11	fule filter (1/2 ltrs)	NO	As per work order	as pe the specification	2800
12	oil filter	NO	As per work order	as pe the specification	1500
13	grease	NO	As per work order	as pe the specification	600
14	mobile (15 ltrs)	NO	As per work order	as pe the specification	6800
15	cooland (3 ltrs)	NO	As per work order	as pe the specification	1100
16	looking mirror rare view	NO	As per work order	as pe the specification	5800
17	hand brake cable front	NO	As per work order	as pe the specification	6500
18	hand brake cable rare	NO	As per work order	as pe the specification	6500
19	shokabsoverfront	NO	As per work order	as pe the specification	8500
20	shok absover rare	NO	As per work order	as pe the specification	8500
21	front wheel bearing inner	NO	As per work order	as pe the specification	3200
22	front wheel bearing outer	NO	As per work order	as pe the specification	3200
23	spring bush	NO	As per work order	as pe the specification	450
24	spring main leaf (front)	NO	As per work order	as pe the specification	7800
25	spring leaf 2nd	NO	As per work order	as pe the specification	7000
26	spring leaf 3nd	NO	As per work order	as pe the specification	6800
27	spring leaf 4th	NO	As per work order	as pe the specification	5800
28	spring leaf 5th	NO	As per work order	as pe the specification	5000
29	spring leaf 6th	NO	As per work order	as pe the specification	4500
30	spring 7th	NO	As per work order	as pe the specification	4000
31	spring clamp	NO	As per work order	as pe the specification	450
32	W/C kit rear (major)	NO	As per work order	as pe the specification	1200
33	hub oil seal (front)	NO	As per work order	as pe the specification	750
34	brake light bulb single	NO	As per work order	as pe the specification	200
35	brake light bulb double	NO	As per work order	as pe the specification	200
36	head light bu.b	NO	As per work order	as pe the specification	500
37	back light assy	NO	As per work order	as pe the specification	7800
38	Brake light bulb	NO	As per work order	as pe the specification	200
39	brake light assy	NO	As per work order	as pe the specification	7800
40	water pump	NO	As per work order	as pe the specification	8800
41	fan belt	NO	As per work order	as pe the specification	2800
42	timing belt	NO	As per work order	as pe the specification	5000
43	connecting rod bearing	NO	As per work order	as pe the specification	2200

Handwritten signatures and initials in blue ink at the bottom of the page.

44	piston	NO	As per work order	as pe the specification	6000
45	piston ring	NO	As per work order	as p3 the specification	6000
46	head gasket	NO	As per work order	as pe the specification	6500
47	releasing bearing	NO	As per work order	as pe the specification	6500
48	master cylinder kit	NO	As per work order	as p3 the specification	1800
49	head pump	NO	As per work order	as p3 the specification	4500
50	sock absorber plate washer	NO	As per work order	as pe the specification	200
51	center bearing	NO	As per work order	as pe the specification	3800
52	front wheel checknote	NO	As per work order	as pe the specification	400
53	Tie rod end RH	NO	As per work order	as pe the specification	6500
54	Tie rod end LH	NO	As per work order	as pe the specification	5500
55	radiator cap	NO	As per work order	as pe the specification	850
56	tank cap	NO	As per work order	as pe the specification	600
57	crown (set)	NO	As per work order	as pe the specification	29000
58	camshaft	NO	As per work order	as p3 the specification	12000
59	Air filter elements	NO	As per work order	as pe the specification	3200
60	Delevary vale	NO	As per work order	as pe the specification	600
61	Voltage regulator	NO	As per work order	as pe the specification	3200
62	stator assy (self stator Assy)	NO	As per work order	as pe the specification	23000
63	Clutch release bearing	NO	As per work order	as p3 the specification	10
64	Clutch assy (pressure plate Assy)	NO	As per work order	as pe the specification	0
65	Wind shield glass	NO	As per work order	as pe the specification	25000
66	wind shield Imported	NO	As per work order	as pe the specification	10
67	Wiper blade	NO	As per work order	as pe the specification	650
68	wiper arm	NO	As per work order	as pe the specification	1200
69	wiper motor	NO	As per work order	as pe the specification	2800
70	Mirror RH	NO	As per work order	as pe the specification	7500
71	Mirror LH	NO	As per work order	as pe the specification	7500
72	front wheel check nut lock	NO	As per work order	as pe the specification	500
73	fue. switch level warning	NO	As per work order	as pe the specification	600
74	Thermostat valve	NO	As per work order	as pe the specification	4500
75	King pin bearing	NO	As per work order	as pe the specification	2200
76	front light assy (Head light Assy)	NO	As per work order	as pe the specification	24000
77	back light assy	NO	As per work order	as pe the specification	10
78	Shokabsorber bush	NO	As per work order	as pe the specification	200
79	Battery (90 AMP (Bosch)	NO	As per work order	as pe the specification	12000
80	Battery thermal end	NO	As per work order	as pe the specification	200
81	fog light assy	NO	As per work order	as pe the specification	2200
82	check nut lock	NO	As per work order	as pe the specification	300
83	ball joint upper	NO	As per work order	as pe the specification	3200
84	Rear shok observer	NO	As per work order	as pe the specification	0
85	radiator cap	NO	As per work order	as pe the specification	850
86	head light sealed	NO	As per work order	as pe the specification	0
87	popuiarsharf (Assy rear)	NO	As per work order	as pe the specification	12000
88	popuiarsharf cross bearing	NO	As per work order	as pe the specification	3200
89	gasket unit (over hualing)	NO	As per work order	as pe the specification	1200
90	engin cylinder line (Liner)	NO	As per work order	as pe the specification	8000
91	water pump assy	NO	As per work order	as pe the specification	0
92	oil pump assy	NO	As per work order	as pe the specification	2200
93	presure plate	NO	As per work order	as pe the specification	22000

Handwritten signatures and initials in blue ink at the bottom of the page.

94	engin mounting	NO	As per work order	as pe the specification	2200
95	Crank shaft pilot bearing	NO	As per work order	as pe the specification	1200
96	hos pipe air chamber o ring	NO	As per work order	as pe the specification	200
97	Air cylinder ((Exhuast)	NO	As per work order	as pe the specification	800
98	over fliw valve	NO	As per work order	as pe the specification	500
99	Crank shaft pin	NO	As per work order	as pe the specification	400
100	Trash water pin	NO	As per work order	as pe the specification	500
101	crown tail assy	NO	As per work order	as pe the specification	19000
102	spide kit	NO	As per work order	as pe the specification	10
103	crown pin washer	NO	As per work order	as pe the specification	300
104	oil seal rare axel inner	NO	As per work order	as pe the specification	1200
105	oil seal camshaft	NO	As per work order	as pe the specification	900
106	oil seal tail pin	NO	As per work order	as pe the specification	1200
107	oil seal timing gear case	NO	As per work order	as pe the specification	1200
108	oil seal front hub outer	NO	As per work order	as pe the specification	750
109	oil seal engin rear case	NO	As per work order	as pe the specification	1200
110	oil seal rear axel outer	NO	As per work order	as pe the specification	1200
111	Bearing tail pin outer	NO	As per work order	as pe the specification	2200
112	Do inner	NO	As per work order	as pe the specification	0
113	wheel bolt front	NO	As per work order	as pe the specification	750
114	wheel blot rear	NO	As per work order	as pe the specification	750
115	wheel nut	NO	As per work order	as pe the specification	750
116	F/Wheel cylinder washer	NO	As per work order	as pe the specification	100
117	Spring ,eaf bush	NO	As per work order	as pe the specification	650
118	R /Do	NO	As per work order	as pe the specification	0
119	F/Brake lining	NO	As per work order	as pe the specification	4500
120	R do	NO	As per work order	as pe the specification	0
121	F/Hub oil seal	NO	As per work order	as pe the specification	750
122	Do cheek nut	NO	As per work order	as pe the specification	400
123	Do Outer bearing	NO	As per work order	as pe the specification	3200
124	Clutch cylinder kit upper	NO	As per work order	as pe the specification	1800
125	Do Lower	NO	As per work order	as pe the specification	1800
126	F/Shok observer assy	NO	As per work order	as pe the specification	0
127	R /do	NO	As per work order	as pe the specification	0
128	ling pipe nut	NO	As per work order	as pe the specification	200
129	Do end	NO	As per work ordr	as pe the specification	0
130	ling pipe nut	NO	As per work order	as pe the specification	800
131	acceleaator peda	NO	As per work order	as pe the specification	500
132	Do cable	NO	As per work order	as pe the specification	0
133	stop cable	NO	As per work order	as pe the specification	200
134	Gear box monting	NO	As per work ordr	as pe the specification	3200
135	Disel tank assy	NO	As per work ordr.	as pe the specification	8800
136	cylinder box assy	NO	As per work order	as pe the specification	9000
137	rear wheel bearing outer	NO	As per work order	as pe the specification	3200
138	Do inner	NO	As per work ordr	as pe the specification	3200
139	Slef	NO	As per work order	as pe the specification	22000
140	Self starter (Assy)	NO	As per work order	as pe the specification	0
141	fule pump assy seaversing	NO	As per work order	as pe the specification	200
142	Fule pump nuzel	NO	As per work order	as pe the specification	12000
143	lfule pump assy	NO	As per work order	as pe the specification	60000

Handwritten signatures and initials in blue ink at the bottom of the page.

144	shaacle pin assy	NO	As per work order	as pe the specification	650
145	break pipe (hose)	NO	As per work order	as pe the specification	1500
146	Main Bearing	NO	As per work order	as pe the specification	900
147	heat meter switch	NO	As per work order	as pe the specification	2200
148	tail pinion oil seal	NO	As per work order	as pe the specification	1200
149	Beal box set	NO	As per work order	as pe the specification	45000
